## TO THE EXAMINING SURGEON.

The claimant named on the outside of this circular has been directed to report himself to you for examination within three months of the date hereof.

Should he present himself, please examine him and make your report to this Bureau at once, in accordance with the instructions of the pamphlet already transmitted to you.

---

(1) Two orders for examination are issued, one to the claimant and one to the examining surgeon, or board of examining surgeons. These orders should be carefully compared before an examination is made, as certificates of examination made upon orders issued to other boards or surgeons will not be accepted or paid for, except in cases in which this Bureau may direct such action by special instructions.

Any order received by a surgeon which is intended for another should be immediately remailed to this Bureau in a separate envelope, together with the envelope in which it was received.

(2) If the order to a surgeon fails to reach him, and the applicant presents himself with *his* order, the examination should be made; or, if the claimant presents himself without an order, and the surgeon has one in his possession authorizing the examination, it should be made.

(3) Orders for examination are generally valid for three months from the date of same. They should, however, be kept until the first meeting of the board following the expiration of the three months limit, when, if the claimant appears, he should be examined. Should he not appear at this session, the order should be indorsed, "*Claimant failed to appear within specified time,*" dated, and returned to the Bureau.

(4) No examination made by a single member of a board will be accepted, unless such examination is made upon a special order from the Bureau. It is desired that all examinations be made by a full board; but if one member is absent, the examination may proceed if the claimant signs the proper waiver upon the back of the certificate, consenting to an examination by two members. (See forms on back of Medical Certificate.)

---

This Circular **must be returned to this Bureau with your certificate of examination**, accompanied by your daily account, or in the event of the person named in it failing to report within the specified time, return it indorsed as required by paragraph 3 of the instructions quoted above.

The act of Congress approved July 25, 1882, authorizes the Commissioner of Pensions to direct examinations by boards of surgeons. When a claimant ordered before a board finds less than a full board present, he may, if he desires, refuse to be examined, and appear later before the full board. Should he be willing to proceed without a full board, the Secretary of the Board shall specify his name on the certificate of examination the members of the board present, and the applicant shall subscribe a certificate on the same paper as follows: "I, -----, the applicant for (increase or original) pension referred to in this medical certificate, hereby consent to be examined by Dr. ----- and Dr. ----- the examining surgeons here present."

By such certificate the claimant will be held to have waived the privilege of the statute relative to examination by a full board.
