

The following is a name and place (I through S) index to WERTMAN LINES from June 2001 through January 2014.

**Guidelines:**

Wives are entered under the name as given. If both married and maiden names are used, both are included in the index.

If a name or place is listed multiple times on a page, there is only one entry for it. If a name or place is listed in several issues, the first one is noted in the name or place column only for readability.

Original spellings are maintained (Wertman, Wirtmen, etc.)

Places will be given as place, county, state – if known.

Where there is an obvious misspelling for a place name (Synders for Snyders), the correct spelling will be used.

Information from picture captions and charts is included in the index. Registration forms are not indexed. After 2013, because the list of officers is in each issue, it will not be indexed.
