

Subject Index to Wertman Lines

The following is a subject index to Wertman Lines 2001 to June 2017. A complete name and place index is separate. In this index, an attempt has been made to provide dates or relationships (son of GPI) for many of the individuals. GPI refers to George Philip Wertman, first documented immigrant of this family.

Wives are entered under the name as given. If both married and maiden names are used, both are included in the index.

If a subject is listed multiple times on a page, there is only one entry for it.

Original spellings are maintained (Wertman, Wirtmen, etc.)

Places will be given as place, county, state – if known.
